

Polyamide-Rubber Caster

F24804

F24806

F24805

Polyamide-Rubber caster, rigid or swiveling, available with or without "FULL LOCK" break

Advantages and benefits

- Non-marking tread.
- Rolls easily with minimal starting effort.
- High-impact resistant polyamide inner and outer rings; shock-absorbing central ring.
- "FULL LOCK" brake system locks the wheel and swivel

Recommended surfaces:

Conditions:

- *Water: Optimal*
- *Solvents: Optimal*
- *Detergents: Optimal*
- *Acids: Not recommended*
- *Extreme cold: Optimal*
- *Extreme heat : Optimal*
- *Petroleum products: Optimal*

Product number	Description	Wheel Diameter	Load Capacity	Tread Width	Overall Height
F24805	125mm Swiveling caster	125mm (5")	200 kg (440lbs)	36mm (1-7/16")	162mm (6-3/8")
F24804	125mm, Swiveling caster w/ "FULL LOCK" break	125mm (5")	200 kg (440lbs)	36mm (1-7/16")	162mm (6-3/8")
F24806	125mm Rigid caster	125mm (5")	200 kg (440lbs)	36mm (1-7/16")	161mm (6-5/16")
